The hottest mediator techniques will not work if you do not have the essential skills down pat. Could your mediator opening statement use refreshing? Will your mediation agreement hold up in court? How is your caucus etiquette? Using video, case studies and group discussions, we will improve our abilities to use the tools of the trade.

Afternoon Session: The Reflective Practice

What motivates you as a mediator? What theories underlie your mediation style? What is your mediator mission statement? Where are you on the facilitative/evaluative continuum?
